MASTERPIECE

House Area

359 m²

The Elm epitomises modern living, ideal for families seeking style and practicality. On the ground floor, an open-plan living and dining area, a sleek kitchen with a butler's pantry, and a lounge create a space. A guest suite with ensuite provides comfort, while upstairs the master suite with a walk-in robe and ensuite, along with three bedrooms and a central bathroom, complete the home. Spanning 34 squares, Elm offers contemporary sophistication.
